

Brenda & Tony,
Thank you so much for
doing such an awesome job
on our outdoor bar, we just
love it, and we are very
anxious for summer to get
here so we can use it.

The cover for the ~~base~~ gas
fire pit is great, so glad
you told us about it.

You were both great to
work with and if we have
any more projects, we will give
you a call. Richard & Sandy Lien
